	l. I want to thank you for the services of who has, as you know, spent the last six months in OLL prior to assuming a 1985-86 Fellowship in Congressional Operations has been a real plus for OLL and his performance has certainly reflected most favorably on the Directorate of Intelligence. He has proved to be a quick study, a hard worker, and a practitioner of practical politics. He has been especially helpful in finding ways to develop a two-way exchange of information between the Agency, and the DI in particular, and the Hill. On a number of occasions he has successfully found opportunities for DI analysts to debrief Congressional travelers and to share in and benefit from the expertise of various Members and staff.		
	have made a sign improve relation that his home of performance in O	od common sense and positive, can-do attitude ificant contribution to OLL's efforts to s with the Hill. I hope that you will ensure fice, NESA, is aware of his very strong LL. I am confident that he will continue to d the Agency well during his year on the Hill.	25X1
	I am e have future DI C part of the over much better retu in the Fellowshi	of the very successful experience we have had specially pleased that you are going to try to congressional Fellows serve some time in OLL as -all Fellowship program. This should provide a rn on both the Agency's and the DI's investment p, and in the long run should contribute to standing between the Agency and the Hill.	25X1
